Cleaning Solutions for the Hospitality Industry

*Machines, Chemicals & Service
Tailored for Casinos, Clubs & Pubs*

Dominant[®]

Leveraging Decades of Expertise for Superior Cleanliness

Brightwash, a wholly-owned division of BTG, was founded by the current Directors of BTG, who have over 30 years of experience with Ecolab and later established Ecowash Systems. With a deep understanding of Chemicals & Dispensing Systems combined with expertise in Glass & Dishwashers, we are committed to providing high-end products at local Australian pricing.

BRIGHTON TECHNOLOGIES GROUP

About Brightwash

Ensuring Optimal Performance with Regular Maintenance

We offer value-added products and services to our existing BTG customers, ensuring a regular cycle of service. This allows us to provide superior on-site preventative maintenance for all BTG products, ensuring optimal performance and longevity.

Competitive and Flexible Pricing Plans

Brightwash delivers competitive pricing with flexible payment options, including fixed costs per cover or pay-as-you-use plans. We guarantee better results, lower usage costs, and exceptional service to achieve perfectly clean results every time.

Combine BTG & Brightwash Services for Discounts

Take advantage of multi-discounts when using both BTG & Brightwash services, along with rebates from ANZ/Suncorp EFTPOS Services, to offset the cost of our products and services.

Experience Superior Cleanliness with Meiko Washers

Expert Solutions for Cleanliness and Efficiency in Hospitality

At Brightwash, we understand the importance of flexibility and reliability in the hospitality industry. That's why we offer a range of ownership options to suit your needs. Choose to rent, lease, or rent-to-own with our Lifetime Warranty—no long-term contracts required. If you're happy with our service, keep paying; if not, cancel anytime with no penalties.

Some of our extensive product range includes:

- ▶ Dish & Glasswasher Products
- ▶ Surface Cleaners & Sanitisers
- ▶ Oven and Grills
- ▶ Hand Hygiene
- ▶ Bathroom Hygiene
- ▶ Beer Line Solutions

These products are designed to tackle various cleaning needs, ensuring a spotless and hygienic environment.

Dominant[®]

Specialists in Kitchen Hygiene for Hospitality

Our products and systems are designed to meet the rigorous demands of busy pubs and clubs, ensuring you maintain a hygienic and safe environment.

Certified Quality and Safety Standards

Our products adhere to ISO22000 industry standards, ensuring the highest levels of quality and safety.

Convenient and Safe Chemical Solutions

To enhance usability and safety, we supply stainless steel wall-mounted chemical racks.

Premium Hand Soap & Dispensing Solutions

We offer premium hand soap and dispensing solutions that ensure optimal hygiene standards.

Advanced Dispensing Solutions for Optimal Efficiency

Brightwash provides state-of-the-art dispensing systems designed to optimise chemical usage, reduce waste, and ensure superior cleaning results.

Chemical Dispensing

FOL Automatic Dispenser Systems

Precise chemical usage for dishwashers, preventing waste and ensuring cost-effective, high-quality cleaning results.

Pro Blend Centre

Auto-dispense ready-to-use chemicals, reducing wastage and misuse.

Heavy-Duty Sprayers

Colour-coded and custom printed for easy identification and use.

Quality Wall Charts and Product Usage Guides

Maintain consistent cleanliness standards with our charts and guides.

Hot Water Washdown Reels

Set detergent dosing ensuring every washdown is effective.

Heavy-Duty Pre-Wash Sprayers

Designed for robustness, perfect for removing stubborn residues before the main wash.

Water Filtration Systems

Enhancing the quality of your glassware and dishware for a polish-free spotless finish.

Beerline Dispensing Solutions

Keep your beer lines impeccably clean, preserving the taste and quality of your beverages.

Chemical Testing and Ongoing Maintenance

Brightwash provides detailed chemical service and maintenance to ensure your equipment operates at peak performance, delivering consistent, high-quality results.

Easy Access to Resources

Use the QR code link to access video training and additional resources on our website.
