

# JUPITER

PAGING SYSTEM

## HIGHLIGHT YOUR BRAND

Promote your brand or special offers to all of your customers with customisable labels.

## WATER RESISTANT

Designed to thrive in any environment, our pagers resist water splashes and spills, ensuring continuous operation, rain or shine.

## LED NOTIFICATIONS

Grab attention instantly with eye-catching lights. Our alerts - via flash, vibration, or tone - are engineered to prompt swift customer action.

## RUGGED DESIGN

Our pagers are built to last, specifically made for challenging environments and handling.

# TRANSFORM YOUR SERVICE WITH THE ULTIMATE PAGING SYSTEM

Our most versatile system yet, the Jupiter Pager discreetly notifies your customers with smooth yet powerful vibrations and various LED flashing patterns. Elegantly designed to complement your setting, the Jupiter Pager has been carefully developed to provide the best experience yet. No matter your industry, we've got you covered.

## DIMENSIONS

## FULLY MANAGED SERVICE

Avoid the unexpected expenses and upkeep of owning a paging system. With BTG's Fully Managed Service, for a fixed monthly cost, you enjoy all the perks including repairs, maintenance, and hassle-free pager replacements for damaged or lost units. Efficiency and reliability are at the core of our service commitment. We offer the flexibility to cancel at anytime.

## RENT TO OWN

Our Rent to Own plan offers an alternate option to outright ownership. Enjoy our full service and support for the duration, with the option to keep your current system or upgrade once the term is complete. Secure the best solution for your business without the upfront cost.

Talk to a BTG specialist today to find the perfect fit for your business needs
